Dear Donors,

**Re: Gratitude of the Anguilla Red Cross to the Anguilla Beaches Donors**

On behalf of the Governing Committee, Staff, Volunteers and Beneficiaries of the Anguilla Red Cross (ARC); I would like to express sincere gratitude for your kindness and generosity for donating to the Anguilla Beaches Hurricane Irma Appeal. Your actions after the passing of Hurricane Irma exemplifies the care and concern you have for the people of Anguilla in general and the most vulnerable in particular.

Hurricane Irma was an event that peeled back various facades, and exposed the stripped truth regarding many challenges that many people in Anguilla face. It highlighted the importance for us to be more keen and gain insight on the well-being of many needy Anguillans; who perhaps preferred to "suffer in silence". However, as with many material things, coping strategies were also shattered as a result of the storm, which ushered in desperation and the need to seek assistance and attention.

The ARC practices the highest level of accountability, and you can be assured that all donated funds that are received by the ARC are restricted based on donor stipulations and/or requirements. Reporting is also an integral part of accountability, so that will be forthcoming.

Again, thanks for consideration and thoughtfulness; and I look forward to meeting you whenever you are in Anguilla.

Yours in humanity,

Mr. Vanroy Hodge  
Director
